

KING'S LEADERSHIP
ACADEMY WARRINGTON

Friday 21st October 2017

Dear Parents/Carers,

At King's we believe that collaboration with parents and carers is essential to students' success. As such, I am writing to inform you about the Year 11 parents evening which will be held on Tuesday 15th November.

This parents evening will run from 4.30pm – 7.30pm.

This evening will be dedicated to the year 11 students and will be an opportunity to set targets and -----discuss strategies for improvement after the LC1 assessments. The evening will also allow parents and students to discuss any issues with coursework or any particular concerns in their current studies before the pre-public examinations. These are exams that simulate the real GCSE examinations and are designed to give the pupils an understanding and experience of what they will face in summer 2017.

You will be informed about the new online booking system the week beginning 31st October. This will allow you the freedom to book suitable times with each subject tutor. For any parents who do not have access to the online booking system, students will still be able to book appointments directly with the subject tutor. Finally, may I take this opportunity to thank you for your continued support with your child's education at King's. This is an important year for all student's in year 11 and it is important that we as a school and yourselves continue to provide as much support we can in helping them to achieve the grades they deserve in their GCSE assessments.

Yours Faithfully

Mr. Garrity

Leader of ASPIRE in the community

.....

I/We are not available for appointments on Tuesday 15th November and understand that my child's Subject Tutor's will contact us for a different appointment time.
