

### May Half Term Exam Booster Sessions

Dear parents/carers,

We are pleased to inform you that staff at King's will be running half term booster sessions over the May half term in preparation for the external GCSE assessments. From Tuesday 28<sup>th</sup> until Friday 31<sup>st</sup> May, Lead Practitioners and teaching staff will be hosting intensive exam booster classes.

These will not be like normal lessons, rather a more relaxed half day session for pupils to cover misconceptions, test their knowledge and practice exam questions and techniques with a teacher available throughout.

Pupils do not need to come in in uniform; however, we do ask that they bring some lunch if they are staying for two sessions. Pupils will also earn Prom Points for their attendance!

The timetable for the week's sessions is as follows:
