

May Half Term Exam Booster Sessions

Dear parents/carers,

We are pleased to inform you that staff at King's will be running half term booster sessions over the May half term in preparation for the external A-Level assessments. From Tuesday 28th until Friday 31st May, Lead Practitioners and teaching staff will be hosting intensive exam booster classes.

These will not be like normal lessons, rather a more relaxed half day session for pupils to cover misconceptions, test their knowledge and practice exam questions and techniques with a teacher available throughout.

Pupils do not need to come in in uniform; however, we do ask that they bring some lunch if they are staying for two sessions. Pupils will also earn Prom Points for their attendance!

The timetable for the week's sessions is as follows:

Y13

	Monday <i>18th February</i>	Tuesday <i>28th May</i>	Wednesday <i>29th May</i>	Thursday <i>30th May</i>	Friday <i>31st May</i>
AM Session 0900-1200	BANK HOLIDAY	English			Maths
PM Session 1230-1530	BANK HOLIDAY	Geography		Science	

Your child's subject teachers will let them know if they would benefit from such sessions, however all sessions are completely open and can be attended by anyone within the year group.

Yours sincerely

Miss Taylor

Associate Leader for Team Around the Child
