## ANTI-BULLYING POLICY

### Our Commitment

- We are committed to providing a caring, friendly and safe environment for all our students so they can learn in a relaxed and secure atmosphere. Bullying and harassment of any kind is unacceptable at our school, whether it is in the school or in off-site activities. If bullying or harassment does occur, all students should be able to tell and know that incidents will be dealt with promptly and effectively. This means that anyone who knows that bullying or harassment is happening is expected to tell the staff.
- All members of the Academy Trust, staff, students and parents should have an understanding of what bullying/ harassment is and what the school's procedures are for responding to bullying/ harassment.
- As an academy we take bullying and harassment seriously. Students, staff and parents and anyone associated with the school should be assured that we do not tolerate bullying/harassment and that they will be supported when such behaviour is reported.
- We recognise that some members of our community may be more vulnerable to bullying and its impact than others; this may include children with SEND. Being aware of this will help us to develop effective strategies to prevent bullying from happening and provide appropriate support, if required.

## **Changing the attitudes of those who bully**

Changing the attitude and behaviour of students who bully will play a major part in the strategies used by the School.

### **Parents**

The school will encourage all parents to immediately contact the school if bullying is suspected. Parents will be encouraged to talk about the signs and symptoms and any suspicions they have regarding those carrying out the bullying. However, parents must leave the initial investigation to the School. Any attempt to resolve the issue themselves is likely to make the matter worse. Parents should encourage their child to talk to an appropriate member of staff in the first instance, or a student trained in antibullying.

### **Students**

The school will encourage all students who think they are being bullied to tell an adult, parent or a member of staff and to explain what form the bullying/ harassment is taking and how it affects them. Students will be encouraged to report possible incidents of bullying/ harassment to an adult parent or other member of staff.

## **The processes and strategies that the school will use in tackling incidents of bullying / harassment**

If bullying/ harassment is reported to a member of staff they must record the details as presented to them on an incident log or file and pass these on to the designated staff member. No promise of confidentiality can be given.

In serious cases parents should be informed and will be asked to come in to a meeting to discuss the problem.

All incidents of bullying are kept in a year log and in the Safeguarding file.

If necessary and appropriate, police will be consulted or involved.
